

The DeVry Completion Grant Program	<p>The Completion Grant program was designed to create a solution to limit external debt for students. Any relevant grant(s) would be applied first to the student's account before the company's Tuition Assistance (TA) would apply. Employees of OhioHealth who meet the eligibility criteria outlined below are eligible for the DeVry Completion Grant.</p> <p>To support the partner's colleagues in being successful balancing work and school, students in this program can only take one class per session.</p> <p>Timeline: May 2023 - March 2025 session: Students may enroll at DeVry University March 2025 session: Deadline for Grant recipients to start classes Disbursement of Grant: The DeVry Completion Grant will be paid out each session upon completion of the course after invoicing has occurred.</p>

Continued Eligibility	<ul style="list-style-type: none"> • Students may only take one course per session • If there are any one (1) credit hour courses, they will need to be paired up with another course. • Students must successfully complete courses in which they enroll with a required letter grade specified by the partners policy • Any applicable grant(s) would be applied first to the student's account before the company's Tuition Assistance (TA) would apply. <ul style="list-style-type: none"> ○ If student has a SEA, all required financial aid documents must be completed by the end of the first session or student will be removed from the program ○ For future award years, any applicable financial aid documents must be completed prior to the start of the award year to remain in the program or program eligibility/registration may be impacted • Students must maintain continuous enrollment <ul style="list-style-type: none"> ○ Students can only take two sessions off in their program and still maintain grant eligibility
Restrictions	<p>Financial Restrictions:</p> <ul style="list-style-type: none"> • Eligible tuition and fees: DeVry will apply the Completion Grant for any eligible tuition and fees that remain as a balance on the student's account. <ul style="list-style-type: none"> ○ Eligible tuition and fees* are costs associated with successfully completed courses that were not paid for by external sources (including company payments and any financial aid). ○ The Completion Grant will not apply to any part of the balance as a result of a credit balance issued to a student. ○ Optional bookstore charges are the responsibility of the student. • Grant funds unused as the result of the student's ineligibility for continued participation for any reason, will remain undisbursed, and will never result in a monetary refund to the student. • Grant is not available for students enrolled in a higher credential program who are eligible to earn a graduate certificate as an embedded credential. • An eligible student will not have incurred any external debt for their institutional charges. • DeVry University cannot limit student's access to eligible financial aid funds without consent from the student. Students who borrow loan proceeds in excess of the established program guidelines will be responsible for repayment of those proceeds as established by the Federal Title IV program. • Students participating in this program are not eligible to request advanced/applied credit balance refunds. • Students who are determined ineligible for the grant will cease to participate in the program. • If a student loses eligibility, Completion Grant funds previously disbursed will be reversed and no additional funding will be awarded and the student will be responsible for any balance on their student account. <p>Academic & Employment Restrictions:</p> <ul style="list-style-type: none"> • If the student becomes ineligible for any reason other than involuntary termination due to reduction in workforce, DeVry will remove student from the Completion Grant program and reverse previously disbursed Completion Grant funds. Student will be responsible for the balance on their account. • If the student is terminated involuntarily due to a reduction in workforce, DeVry will remove student from the program and DeVry will apply the Completion Grant, for any eligible tuition and fees (as detailed above) that remain as a balance at that point on the account. The student will require advisement on alternative payment & institutional benefit options to help pay for their education through the completion of their certificate program. • The Completion Grant will not cover any repeat course work. • Graduate student must maintain a CGPA as outlined in the academic catalog to avoid academic dismissal and must have a 3.0 CGPA to graduate.

*Fees include course resource fee, learning management system (LMS) access fee, student services charge, and eBooks.

Billing & Award Structure	<ul style="list-style-type: none">• Qualifying students may receive the Completion Grant when they have eligible tuition and fees* associated with successfully completed courses that were not paid for by external sources (including company payments and any financial aid). Optional bookstore charges will remain on the account and student is responsible for payment.• The Completion Grant will cover their eligible balance of tuition and fees and will be awarded in the session following successfully completed courses in Week 3 after invoicing has occurred.
Questions	<ul style="list-style-type: none">• OhioHealth employee questions should be directed to the OhioHealth Grant page on the OhioHealth page first at http://partner.devry.edu/OhioHealth.

*Fees include course resource fee, learning management system (LMS) access fee, student services charge, and eBooks.
